

VOLUNTEERS WANTED!

Track 2000 is a community based charity that works to alleviate poverty in the Cardiff and Vale areas. We operate three community shops that provide furniture and electrical appliances at affordable prices. Track 2000 relies heavily on the kind and dedicated volunteers who run our shops, drive our vehicles and generally help to assist us with the aim and objectives of the charity.

If you would be interested in finding out about how you could help Track 2000 and its recipients, then please send an email to the following address, stating any areas of interest/expertise you have and how you would like to work alongside our charity... We look forward to hearing from you: t.crocker@btconnect.com
